Multiplayer mode involves two or more players for cooperative or competitive play. Many of the variations are derived from the original "1.0" multiplayer game, including the two most common variations, "Free for All" and "Ranked", and various "Easier Mode" variations. They are listed here by release date, although the order may not be chronological. Trivia When Diablo II was released, PC Gamer awarded the game with a "Hand of God" award for "All it took was a little pick-axe grinding." The editor was later released in a free-ware package, named Diablo II: Hero Editor.[2] See also Diablo III References External links Diablo II: Hero Edition (1.04) at DiabloFans Diablo II: Hero Edition (1.13) at DiabloFans Category:Dungeons & Dragons video games Category:2010 video games Category:Eidos Interactive games Category:Hack and slash role-playing games Category:IOS games Category:Lua-scripted video games Category:MacOS games Category:Single-player video games Category:Unreal Engine games Category:Video games 3ef4e8ef8d
