## Team Dx Facebook Account Hacker V3 \_\_LINK\_\_ Free Download

next,the hacker is prompted to fillup a simple form, where he/she is asked to provide the username of the account whichhe/she wants to hack. Once a valid form is filled, he/she will be asked to select an operating system and then click the Start Hacking button. If he/she is on Windows, the hacking process will start automatically. Once the hacking process has been completed, the hacker will be presented with a clean interface that shows the victim's Facebook profile page as is, with the profile picture, personal details, relationship status and birth date of the victim's. This is shown in the screenshot below: Below is the screen captured that shows that the hacker's purpose behind hacking is to make his victim like himself. He also threatens to hack the target account if he/she doesn't want to follow him. This, in the hacking process, is what the hacker is doing. The victim is warned that his account has been hacked, and he is asked to visit Facebook's help center to terminate the hacking. In case, the user clicks on this link, the Facebook account is hacked successfully. Below is a screenshot of the page presented to the user, in case he/she wants to terminate the hacking attempt. The hacker claims that userids and names of facebook users were stolen and not his personal information, but only facebook profile urls. However, all this attempt at hacking the target account is just a ruse, as the hacker then intends to befriend the target. In order to befriend the target, the hacker now has to log in with his or her own account, which is exactly what he/she did, as can be seen from the screenshot below.
